Dear Ms O'Doherty

Arrangements for Handling Heritage Applications Direction 2015 & T&CP (Development Management Procedure) (England) Order 2015

Application for Listed Building Consent: Revised Drawings or Information

**8 & 9 GREAT JAMES STREET, LONDON, WC1N 3DH
Application No 2015/0748/L**

Thank you for your correspondence of 11 June 2015 enclosing revised drawings and information in respect of the application for listed building consent for works at the above address.

These are considered satisfactory, and we have therefore drafted the necessary letter of authorisation (draft attached) for your Council to determine the application as you see fit and referred the case to National Planning Casework Unit. Subject to the Secretary of State not directing reference of the application to him, they will return the letter of authorisation to you. If your authority is minded to grant listed building consent, you will then be able to issue a formal decision. Please send us a copy of your Council's decision notice in due course

Yours sincerely
