Dear Laura,

We are writing on behalf of the Camden Town CAAC.

We strongly object to the proposed canopy.  
The early buildings of the school are Victorian which gives the school its character. These older buildings will come to be more appreciated when surrounded by the new building work which will shortly take place. The canopy really destroys the front elevation and ruins the appearance of the lower row of windows.

We are sure there could be a better solution.

Yours sincerely,

Gordon Macqueen & Margaret Richardson, Co-Chairs of the Camden Town CAAC,
