Details of the pre-application advice received:

Dear Mr Woodburn  
Thank you for your email on 21 September 2007 with regards to the roof terrace at the above address.  
Having considered the proposed timber screen and its relocation to the roof terrace, it is my informal view that such an application will be viewed favourably. As you may be aware of planning permission was refused for a brick wall in 2001. It was considered to be undesirable because of its overbearing presence in relation to the use of the adjacent terraces and would obstruct the light to the adjoining properties. In my opinion the proposed timber screen and set back from the boundary line will address these reasons for refusal.  
The necessary planning application forms can be downloaded from Camden's web address. <http://www.camden.gov.uk/ccm/content/environment/planning-and-built-environment/planning-applications/file-storage-items/planning.en>  
The advice set out in this letter is the opinion of the planning officer and is without prejudice to further consideration of this matter by the Development Control section or to the Council's final decision. If you want to discuss the matter further please do not hesitate to contact me.  
Kind regards  
Philip Niesing  
Planning Officer
