2015/2926/P	Guneet	13 Adelaide Road london NW3 3QE	24/06/2015 11:41:13	OBJ	<p>This proposal will cause huge disruption to business's and local residents who work and live within Adelaide Tavern.</p> <p>There is already huge disruption next to this site due to construction at the round house (behind Adelaide tavern). Construction here will only worsen traffic and the livelihood of people who work and live here.</p> <p>On a daily basis there are vans, lorry's and skips near Adelaide tavern causing huge disruption and this will become worse if construction occurs. It is already difficult to walk and drive on Regents Park Road.</p> <p>On a regular basis there are near collisions with cyclists and turning HGV's on regents park road.</p>
