Your comments on the planning application

I live immediately above the proposed development. Swimming pools are extremely noisy. People going into and leaving the facility can also be very noisy particularly at unsociable times. In addition traffic will be attracted from outside the area and further add to the noise and parking problems. There is already one health club in the development so another seems superfluous. Should the development be granted permission, which I hope it will not, then it should be made subject to conditions to install soundproofing to completely deaden any noise and restricted opening hours between 09:00 and 18:00.
