Description: Illuminated advertising displays

Case Officer: Matthew Dempsey

Date 28 June 2015

None of these proposals is acceptable in our Conservation Area.

Although the concept of finding new uses for disused phone boxes is attractive, the proposal to turn them into advertising sites is in conflict with many aspects of Conservation Area policy, not least the insertion of illuminated displays.

One of the boxes (the Police Station one) is listed, and must **not** be commercialised in this way. The others would become obtrusive elements in the street scene, and be transformed at a stroke into street clutter.

Please refuse.
