2015/2844/P	Ernest Keeling	55 Belsize Lane NW3 5AU	01/07/2015 21:33:05	COMNOT	I object because,although it seems unlikely that I will be personally affected (at 55 Belsize Lane) I do have a concern that a precedent will be set for the siting of more commercial installations at the ends of the gardens in Belsize Park, which then might indeed affect me.
