2015/2906/P	Ian Green	Flat E 148 Camden Street Camden NW1 0PA	30/06/2015 17:39:04	COMMNT	<p>To whom it may concern,</p> <p>I am writing in support of the application reference 2015/2906/P.</p> <p>Having lived previously on the ground floor of the building (and a current resident of the top floor), I would like to state that the proposed application shows an innovative use of the available space in the building and would provide much needed affordable accommodation in the local area.</p> <p>The proposed accommodation would indeed provide good living space for a single person or couple and compliments the larger apartments already in the building.</p> <p>I therefore support the application as an existing resident of the building.</p>
