Subject: 2015/3674/NEW - 23 Albert Terrace Mews- To Discharge the Tree Protection Condition that relates to 2014/2372/P - RC 30/06/15 logged

Hello Camden Planning.

Nick Bell (cc'd above) visited my home yesterday to check that my listed tree was protected. He seemed very satisfied that we could discharge the tree protection for 2014/2372
I have attached a photo of the tree with fence and wall.
The wall around the tree has been there protecting it for many years and before I bought this house last year. I have also put up some fencing to protect it further.

Kind regards

Frances Ruffelle
