Dear Ms O'Doherty

**Planning (Listed Buildings and Conservation Areas) Act 1990.
Application for Listed Building Consent.
Waterlow Park, Swain's Lane, London, N6 6PL.**

I am directed by the Secretary of State for Communities and Local Government to refer to your Council's e-mail of 17 June, 2015, with attachments, and subsequent correspondence, concerning your Council's application for Listed Building Consent for external works to introduce security measures, and television aerial and dish installation, at the above address. The application was made in accordance with the provisions of Regulation 13 of the Planning (Listed Buildings and Conservation Area) Regulations 1990.

The Secretary of State has considered the information submitted by your Council in support of the application and noted that Historic England has no objections, and no objections were made by Amenity Societies or other third parties to the proposals.

Therefore the Secretary of State hereby grants Listed Building Consent for the above works subject to the following conditions:

1. The works hereby permitted shall be begun not later than the end of three years from the date of this consent.
2. All new work and work of making good shall be carried out to match the original work as closely as possible in materials and detailed execution.

3. The works hereby approved are only those specifically indicated on the drawing(s) referred to above.

This letter does not convey any consent or approval required under any enactment, byelaw, order, or regulation, other than Section 8 and 17 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

A separate Note is attached setting out the circumstances in which the validity of the Secretary of State's decision may be challenged in the High Court.

Yours sincerely
