I have no objections to the changes to the Shop Front. But however my main concern is the Awning and side Awning being introduced, which would severely obstruct the visibility of my premises.  
I am very ~~concerned~~ concerned about this issue as an Awning is in place at number 17 Swains Lane which is restricting visibility of my premises from traffic and pedestrians from west to East. And I fear another similar Awning will enclose my premises completely.

WHILST I HAVE NO OBJECTIONS TO THE CHANGES TO THE SHOP FRONT I AM CONCERNED ABOUT THE NEW AWNING AND ANY SIDE AWNING BEING INTRODUCED - WHICH WOULD SEVERELY OBSTRUCT THE VISIBILITY OF MY PREMISES FROM THE STREET - ESPECIALLY BOTH FOOT TRAFFIC AND VEHICLES COMING EAST TO WEST ALONG SWAINS LANE.

I AM PARTICULARLY CONCERNED ABOUT THIS ISSUE AS AN AWNING IS IN PLACE @ NOS 17 SWAINS LANE AGAIN RESTRICTING VISIBILITY OF MY PREMISES FROM TRAFFIC + PEDESTRIAN GONG WEST TO EAST.

FURTHERMORE I AM VERY CONCERNED ABOUT THE FACT THAT 'GALS' INTEND TO PUT TABLES + CHAIRS OUTSIDE THEIR PREMISES AND ENCRACHING ONTO MY AREA OUTSIDE/SIDE OF MY PREMISES @ 19A.
