Your comments on the planning application

I am noting my opposition to the application as it stands, as I believe my property will be adversely affected.  
My main areas of concern are the impact of light to my property, the proximity of the proposed extension resulting in a loss of privacy and the potential noise disturbance.  
As the attached photo clearly shows, the planned roof terrace area is very close to our bathroom window. This would mean the rear top floor windows would look directly towards our shower resulting in a complete loss of privacy.  
The proximity of the terrace concerns me greatly due to the potential noise. In addition the lighting we currently enjoy

due to the skylights will be obscured by the development. All are serious concerns that can impact the value of my property and my quality of living. Therefore I support the request lodged by my neighbours that the applicant provides us with analysis to evidence compliance with the BRE guidelines (As laid down in the Building Research Establishment Digest 209 "Site Layout Planning for Daylight and Sunlight: a good practice guide" by PJ Littlefair.
