2015/3229/T	Nancy Mayo	12A Hollycroft Avenue	23/06/2015 10:40:52	OBJ	Privet hedges are a very important feature of the Redington Conservation Area street scene. These have been lost, and are continuing to be lost, purely in order to convert front gardens to car parks. This is completely degrading the character of the Redington Frogmal Conservation Area and I should like to strongly object.
