2015/2928/P	Indre	Flat 10 Rosmeont Mansions Lithos road	09/07/2015 08:34:23	COMMNT	Our windows at the moment are horrible. The window frames are so old and we definitely need them to be changed. Then it's windy outside our curtains are moving so much. We don't have to open windows to let fresh air in our house as it's coming from the weak windows.
