Your comments on the planning application

The amended drawings and information are slightly better quality but: they fall short of information that is required for full planning application in conservation area

- 1 A full Design and Access statement should be submitted
- 2 Quality of architecture is detrimental to the conservation area and is not of artist / industrial character.
- 3 Inaccuracies in planning consultants report. The person who carried on trade as garage mechanic died last year. Owner is not the person trading. Little or no effort has been made to let the premises for light industrial use and owner has been demanding excessive rent to maintain vacancy of
