Dear Sir/Madam

Re: 106C, FINCHLEY ROAD, LONDON, NW3 5JJ

WASTE COMMENTS

Thames Water would advise that with regard to sewerage infrastructure capacity, we would not have any objection to the above planning application.

Thames Water recommends the installation of a properly maintained fat trap on all catering establishments. We further recommend, in line with best practice for the disposal of Fats, Oils and Grease, the collection of waste oil by a contractor, particularly to recycle for the production of bio diesel. Failure to implement these recommendations may result in this and other properties suffering blocked drains, sewage flooding and pollution to local watercourses.

WATER COMMENTS

On the basis of information provided, Thames Water would advise that with regard to water infrastructure capacity, we would not have any objection to the above planning application.

Yours faithfully
Development Planning Department
