KEY PLAN:

Non-Material Amendment Application

Proposed Changes in relation to existing

Planning Approval Ref: 2013/8192/P and

clarifications of details as required under

condition no. 3 with the exception of item 5

1. Base of the VIE enclosure to be reconstructed

to replicate original external appearance of the

Rosenheim building based on detailed surveys.

2. New brick enclosure may be constructed as a

3. Existing JB PUB gable wall to be externally clad with a new 100mm block work leaf up to VIE

enclosure level. Above the VIE enclosure level

the existing JB PUB gable wall will be externally

clad with a new 100mm brickwork leaf to match

4. Undercroft level below proposed VIE ground floor slab will be a non habitable below ground

chamber and will not be used for storage.

5. Final specification and details of the base

(from ground to base of bricwork level) of the VIE

enclosure will be subject to a further submission.

traditional solid brick construction.

JB PUB brickwork.
