Dear Sirs

Re. 34 Swinton Street, London. WC1X

I refer to your letter dated 26 September 2007.

In response to the two points raised I can respond as follows:

1. A section drawing for the mansard roof is attached.
2. The proposed units are bedsits and can be described as such in the planning application description.

Now that these two outstanding matters have been addressed you should have sufficient information to enable the planning application to be registered and be determined.

Yours sincerely
For RPS
