Re Application 2015/2697/P  
61 Rochester Place NW1 9JU

Dear Mr. Thuaire,

I wish to object to the above planning application for the following reasons

The proposed extension, by reason of its bulk, size, location, design and materials, would be detrimental to the character and appearance of the immediate area and adjoining conservation areas, contrary to policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

The proposed extension, by reason of its size, location and design, would result in loss of outlook to neighboring properties in Reeds Place to the detriment of their residential amenities, contrary to policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

Yours Sincerely  
Johnnie Shand Kydd
