Duty Planning Officer
Camden Council
Town Hall Extension
Argyle Street
London
WC1H 8NJ

Dear Sirs

Re: Proposed Basement – 34 Queens Grove

With reference to the above Project, we would like to bring to your attention the following point.

A Traffic Management Plan has been submitted with our Planning Application. Could you please forward this on to the relevant Department, as this is an integral part of the Application and we do not want this to be the subject of a Planning condition.

Could you please confirm, when validated, that this has been actioned.

If you have any queries, please do not hesitate to contact us.

Yours faithfully

James Lai
Architectural Designer
