The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: For the avoidance of doubt and in the interest of proper planning.

#### Informative(s):

- 1 Reasons for granting permission.

This permission grants a single-storey rear extension to the building, which would add habitable living accommodation for occupants of the lower ground floor flat. The visual impact of the extension has been fully considered, having special regard to the desirability of preserving or enhancing the character and appearance of the Bartholomew Estate Conservation Area, under section 72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013. It is considered that the extension is high in design quality, in and amongst a number of rear extensions within the terrace and would enhance the character and appearance of the host building and conservation area.

The proposal was considered not to have any significant impact upon the amenity of neighbouring residents in terms of outlook, privacy or loss of light. One objection has been received as a result of neighbour notification, which is detailed in the report accompanying this permission. The site's planning history was also taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2015, consolidated with alterations since 2011; and paragraphs 14, 17, and 56-66 of the National Planning Policy Framework.
