The diagram illustrates three different leveling methods, each with a corresponding symbol and value:

- FLOOR RELATIVE TO DATUM:** Represented by a triangle symbol with the value 10.00.
- FLOOR TO STRUCTURAL CEILING HT:** Represented by a circle symbol with the value 3.80.
- FLOOR TO SUSPENDED CEILING HT:** Represented by a square symbol with the value 3.00.

A north arrow labeled "DIRECTION OF BLOWING CEILING" points upwards.
