Email address... [REDACTED] .....

Telephone number..... [REDACTED] .....

Planning application number... 2015/3173/P .....

Planning application address... 42 Avenue Road .....

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

We have had years of disturbance from building works in the area. Most of these properties are not lived in, although the works which on the applications appear modest, develop over the building period which frequently lasts for 3-4 years. Letters to the owners regarding noise and matters concerning overgrown vegetation trees etc are never replied to. Although this application does not appear to be substantial previous experience means that I regretfully oppose the application.
