Planning application address.. 57 South End Road NW3 2QB

I support the application (please state reasons below)
I object to the application (please state reasons below)

Your comments

To whom it may concern. It is quite inappropriate to have a large dog grooming business below the flats in Wentworth Mansions. We have our own gardens at the back of the property. The noise of barking dogs is not reasonable in any way for us to put up with. Most importantly, there is NO PLACE TO POSITION EXTRACTOR FANS not on the front of the building or!! the back where we sit in our gardens!!

Please continue on extra sheets if you wish

→ TO

This application to change the shop front is a nonsense. If you allow it the owners of the dog parlour will know that you have given them permission to open their planned dog parlour.

Once again I draw your attention to extractor fans, NOT AT THE FRONT, NOT IN OUR GARDENS, NOT IN OUR LIGHT WELLS!!

PS. Dogs bark, we do not want to be disturbed by continual barking dogs. I believe they will have a holding area for certainly more than one dog.
