The license for HMO from London Borough of Camden (ref:8331A) dated 7th October 2014 states that 4 people maximum should occupy 121 Malden Road in its dilapidated current condition.  On this basis, we understand from the pre-application response that if the maximum number of permitted occupants under the licensing regulations is between 3-6 people, the property is classed as a C4 Use Class and this application would require a change to a self contained C3 Use Class under permitted development rights, which is to be considered as part of this application.
