Dear Josleen,

21-31 New Oxfröd Street London WC1A 1BA

Thank you for your communication of 14th July 2015.

I can confirm that the planning applicant is in communication with London Underground engineers with regard to the development above. Therefore, we have no comment to make on the application for Ground Movement Analysis except that the developer should continue to work with LU engineers.

If I can be of further assistance, please contact me.

Yours sincerely
