VIA RECORDED DELIVERY  
& THE PLANNING PORTAL

Dear Sir,

**PROPOSED MICROCELL INSTALLATION AT CTIL CELL SITE 149069/Telefonica 70835 -  
54-56 PHOENIX ROAD, LONDON NW1 1ES**

This is a full planning and listed building consent application, and notice in accordance with the electronic communications code under the Telecommunications Act 1984 Schedule 2 as amended by the Communications Act 2003, for permission for the development of:

***Installation of 1 no. microcell antenna and associated ancillary development at 54-56 Phoenix Road, London NW1 1ES (NGR: 529758, 183018).***

This application is submitted for and on behalf of CTIL and Telefónica UK Limited and comprises:

- Prescribed fee - £385 (Cheque made payable to Camden Council).

The application and enclosures have been submitted on the Planning Portal under reference number 04348110 and comprises the following additional information:

- Planning application form and certificates
- Planning drawings - Ref. No's: 100-600
- General Background Information for Telecommunications Development
- Site Specific Supplementary Information
- Design and Access Statement and additional Heritage Statement
- ICNIRP declaration & clarification statement
- CIL Questions form

This application has been prepared in accordance with the Code of Best Practice on Mobile Phone Network Development (revised July 2013).

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance.

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully

**Chris Andrews**
