2015/3916/P	varsha shah	8 Gladstone Court nw6 4ep	20/07/2015 13:57:15	INT	I would like to know why residents in the vicinity of this address have not been officially notified of the application by mail and asked for any comments. This is quite concerning as the deadline date is 5 August. Also there are no papers loaded up for us to view. Please send off the letters to the neighbours and extend the consultation period to take this factor into account so that we are given appropriate time to relay our comments.
