2015/3445/P	Alan graham	8 iverson road Kilburn Nw6 2he	17/07/2015 18:36:50	COMMNT	I wish to strongly object to this application. Also the way it was surreptitiously applied for in 3 small tranches. Why was there no public advertising of this application?
2015/3445/P	Jeremy Moorshead	2nd floor flat 8 Iverson road Kilburn NW6 2HE	17/07/2015 18:11:59	OBJEMPER	<p>I would like to oppose this application for these reasons: The height of the proposed development is not in keeping with the area and would especially affect those living in Spring Court, Iverson Road. They have not been consulted and there has been NO planning application notice.</p> <p>Secondly, there is already a hygiene problem with the shops and flats of Kilburn High road leaving their waste on the corner of Iverson road. Rats are prevalent. There needs to be adequate bin storage for such a development so the streets can be clear of rubbish.</p> <p>This development would have much more of an Impact on the residents of Iverson road, than those of Kilburn High Road. The residents of Iverson Road should be consulted.</p>
