2015/3314/P	Dr Neema Sofaer	49 maresfield gdns flat 1	17/07/2015 14:10:42	OBJ	<p>I have objected also to previous incarnations of this proposal.</p> <p>The building that would be demolished has historic and aesthetic value. The almost unbroken street of similar buildings has historic and aesthetic value. Hampstead's unique character depends on such streets. Camden should be protecting this.</p> <p>The existing proposal would reduce the green space. Our house (49 Maresfield Gardens) looks back onto this green space, and so we could get a more crowded sense.</p>
