2015/3447/P	Mr and Mrs D Hetherington	22 Wentworth Mansions Keats Grove London NW3 2RL	19/07/2015 12:04:33	OBJ	We are residents of this block and we object to the dog-grooming parlour for the following reasons: - there will be pollution with fumes and dog hairs being expelled from vents onto a busy pavement below and with flats directly above - there will be noise of dogs barking in a building with poor sound-proofing where sound carries easily up the stairwells into the flats above.
