**Subject:** Planning application

Planning application number:- 2015/3078/P 25, Doughty Mews,

Dear Sir/Madam,

The planning notice only appeared in the street last week.

My objections are

- 1) A window in the wall at first floor level will enable the residents of the mews to look across into my living room, also into the bedrooms of my neighbours.
- 2) It will necessitate the cutting down of a mature tree on council land, which provides a pleasant screening of a dull brown painted wall.

This property has already added an extra floor to the detriment of my living space, cutting light to my flat and destroying a pleasant view. Now they will be able to invade my privacy. Please reject this plan.

Yours faithfully,

Patricia Syms,  
42A, Millman Street, WC1.
