2015/3445/P	Mrs GA RAMSAY-WHITE	Flat 19 Spring Court 1B Iverson Road London NW6 2QW	21/07/2015 12:29:28	OBJ	I am a resident of spring court and I would like to object to this planning application. I am disappointed that we have not been officially notified of this proposal that would greatly impact on our building and lives. From the daylight report it looks like this development would greatly reduce the quality and length of sunlight in our building. Our building is occupied by senior residents who are spending a lot of their time indoors and a reduction in sunlight will be a detriment on their mood and health.
