#### Your comments

PROVIDED THE WORK IS LIMITED TO  
 "Replacing all windows with timber  
 frame windows" as per James  
 Clark's letter dated 13th July, 2015

PS I have tried FIVE times to  
 make these comments on line.  
 Your site is NOT user friendly  
 and each time has come back  
 with "Application not found, try  
 entering different key words". Surely  
 site should recognise the Planning  
 Appn No and address? I gave up in the  
 end and my first language is English!

Please continue on extra sheets if you wish
