2015/3702/P	mario rossi	2/9 the ziggurat 60-66 saffron hill london ec1n 8qx	22/07/2015 13:48:36	OBJ	We are residents at the ziggurat 60-66 saffron Hill directly opposite this building. we would not be happy about roller shutters being installed as they are extremely noisy and in our experience the occupants usually open & close them at all hours of the night as well as day . its a huge source of noise nuisance in central London. We would request they consider an alternative solution please
