22 July 2015

From: Sir John Waite 19 Wentworth Mansions Keats Grove NW3 2RL

Please note that I am resident at the above address and wish to object to this application on the following ground:

Given the nature and intensity of the business intended to be carried out at this shop, it is impossible for the proposed (or any other) system of ventilation which discharges directly into the street to be effected without serious risk to the health and safety of the passing public and residents in the flats above the premises.
