2015/2688/P	melanie bishop	20 Beckett House Westking Place London WC1H 8AH	23/07/2015 15:57:23	COMMNT	I am writing to strongly object to the plans to install this smoking area in such close proximity to my property. I have no doubt that this will result in an increase in noise due to the number of young people congregating.
