#### 5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?  Yes  No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title:  First name:  Surname:

Reference:

Date (DD/MM/YYYY):  (Must be pre-application submission)

Details of the pre-application advice received:

A pre-application mail was sent to Camden Council on 11th June 2015. On 19th June, we were invited to participate in Camden's formal pre-application enquiry process. Our response was as follows:  
Thank you for your mail.  
While I appreciate that you have a formal and chargeable process for pre-application enquiries, our clients clearly have to weigh up the time and cost involved, compared to what is considered to be a minor scheme to install a small microcell antenna on an existing building. In such case, it is considered commercially impractical to pursue a formal pre-application enquiry, particularly given the fact that it would appear that the cost of a pre-application enquiry in this case is £960, compared to an application fee of £385.  
If there are any queries that arise during the currency of the notification, we can deal with them at that time.
