2015/3504/P	Jonathan Crompton	2 Akenside Court 26 Belsize Crescent London NW3 5QT	26/07/2015 10:06:17	SUPPRT	<p>I write in support of this application.</p> <p>The proposed trellis is consistent with that of Roscommon House (on the other side of the footpath, as shown in the photograph), and it will allow planting in the garden of Akenside Court to provide greenery along the footpath.</p> <p>It will also improve the security of the back garden of Akenside Court, and therefore the back gardens of the even numbered properties in Belsize Crescent.</p>
