2015/3955/P	The Heath and Hampstead Society	19 South Hill Park Gardens Hampstead NW3 2TD	27/07/2015 16:14:27	OBJ	<p>The existing 3 storey building to which an additional floor is being proposed at roof level is already large and extremely prominent to the many people travelling towards the Heath from Hampstead Underground Station - an important route.</p> <p>The proposed mansard extension adds considerably to the bulk and the height of the existing building. It would detract from the Conservation Area.</p> <p>The balcony would overlook other private spaces and nearby window and should be omitted.</p> <p>Please refuse.</p>
