2015/4041/P	MRS P A SCHAFER	7 GILLIES HOUSE HILGROVE ESTATE HILGROVE ROAD LONDON NW6 4TJ	28/07/2015 08:38:38	NOBJ	I have looked at the plans for Gillies House and would say this small block is in dire need of said works as not only is the central portico crumbling, it is looking a sorry state. Mr Dennis has lived here for 50 years with my parents and comments everyday on this when going in and out of block. The proposed works will be positive to the care of Gillies House as we are exposed on front of estate.
