| 2015/4056/L     | Stuart & Michelle Gold | 3 Norfolk Road<br>St Johns Wood<br>London<br>NW8 6AX | 27/07/2015 09:51:25 | INT      | We strongly object to the Planning Application. We reside at the rear of the property. We were subjected to considerable disruption and inconvenience in 2010 when No 42 Woronzow Rd was created on the site of the existing garage. Our driveway was partitioned off for several months to facilitate the works and the resulting noise and disruption was considerable not to mention the resulting effect on air quality. |

The prospect of further noise ,pollution and general local disruption is horrendous.
