Subject: TRIM: RE: Planning application 2015/3110/P

Dear Victoria Pound

We strongly support the above planning application. It will be greatly reassuring to us as neighbours that the roof terraces will be made safe and secure for small children. It will also go some way towards improving the incoherent façade to Oppidans Road, and much improve the rear elevation that faces our property.

Yours sincerely
Peter and Edith Darley
21 oppidans Road
