Planning application number..... 2015/4027/T .....

Planning application address..... 7 ROSSLYN HILL, NW3 5UL .....

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

- Loss of natural character; trees add value to neighbourhood.

- 5 trees in total are proposed to be felled from a total of 8; why? The trees are not sick, dead or pose a danger to local residents.

- All trees are mature and healthy and therefore it would be inappropriate and unconventional for a conservation area, such as the one we live in, to lose them.

- Please block this application on the grounds listed above.
