Hi,

I can confirm that the consultation letter was received today, but dated 17th July.  
I object to the planning application on the following grounds:

It is totally unnecessary for a children's playhouse to be over ten feet high. It is far higher than the adjacent fences and therefore overlooks the gardens of all the neighbours, invading their privacy.

The developer has once again ignored planning protocol, building first and seeking permission afterwards as a "fait accompli".

Please get the playhouse replaced by a lower building which is much more appropriate for the intended purpose.

Yours sincerely  
Rosalind & Stuart Simmons
