The proposals would not impact upon amenity or pedestrian or vehicular safety.

The planning history of the various sites has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5, CS14 and CS17 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.8 of The London Plan March 2015, consolidated with alterations since 2011; and paragraphs 14, 17, 56 - 67, 126 -141 of the National Planning Policy Framework.
