2015/3175/P	Lance Moir	Flat 2 Chenies St Chambers 9 Chenies St London WC1E 7ET	28/07/2015 19:43:15	SUPC	<p>In general I support the application but only if the replacement is wood. Photograph 6 appears to have wider wood frames than the current and those in photo 7. The replacement frames should be of a similar dimension to the current frames.</p> <p>The application makes no reference to the double doors in flat 2 - these do not need replacing. Finally it should be an obligation that the replacement windows have suitable security locks from inside as these are a normal insurance requirement</p>
