2015/3940/P	Sarah das	The garden flat 105 Greencroft gardens London	28/07/2015 14:56:10	OBJ	We live in the garden flat at 105. Our main concern is that the roof top garden will directly overlook our garden reducing privacy. Also this type of change to the house will set a new precedence for the street and it is after all a conservation area which strives to maintain the original character of the dwellings and the nature of the use therein (or out).
