I object to the application (please state reasons below)

Your comments

I have looked at the plans and I would say this small block is in dire need of said works to be carried out as not only is the central part above entrance crumbling it is looking a sorry state. Mr. Dennis has lived here 50 years with my parents and comments on it daily when we go out. I wholeheartedly agree to proposed works, as they will be positive to care of Gillies House.
Mrs Penny Schaffer
~~live in~~ live in sober & care for Mr. T Dennis
