2015/0567/P	Meric Apak	Town Hall	29/07/2015 15:25:11	COMM	<p>I ask that this application be refused on the grounds that it is against the intention of Planning Guidance CPG5 – 3.46 which states: “In order to protect the retail function of the centre... the Council will generally resist proposals that would result in less than 75% of the premises in Core Frontages being in retail use.” At present the Core Frontage in which no. 225 lies is only 57% in A1 Retail use.</p> <p>The loss of another A1 Retail premises in this Core Frontage will seriously compromise the vitality and viability of the high street’s Core Frontage.</p> <p>I also ure officers and members of the committee to seek clarification on the accuracy of the current position on planning permission applicable to the different floors of this premises as the previous A3 permission for the ground floor was only granted to the leaseholder and not to the premises. It is my understanding that the current status of the ground floor is A1</p>
